We make the difference

EDITION 30
www.cleanquip.co.za

Our Story

KPRG CleanQuip was started over 30 years ago and, with a team of dedicated individuals, we are a formidable, competitive and highly successful company built on a foundation of strong values and reliable, committed service.

KPRG CleanQuip took its first big steps as a family business when Paddy Blumfield purchased the company - formerly LAMSON FLOORCARE - in 1994. In 1996 we changed our name to KPRG CLEAN t/a CLEANQUIP. We immediately increased our available product range by acquiring a full Karcher Agency to supplement the already existing Numatic range.

The business has become well known to competitor companies, as well as our strong and supportive customer base - established over the last 30 years. Although our main area of operations is Gauteng, KPRG CleanQuip has been supplying equipment and services throughout Southern Africa, earning an enviable reputation for fast, efficient and effective service.

KPRG CleanQuip has been recognised, over the years, by many outside businesses and associations, and have won numerous Awards for Achievement and Service Excellence

during this time. From the **PMR DIAMOND ARROW AWARD** in 2002, placing KPRG CleanQuip as the overall first in the Supply of Floorcare, to various **KARCHER DEALER OF THE YEAR AWARDS**, together with the **BIDVEST PRESTIGE SUPPLIER OF THE YEAR AWARDS** and **EXCELLENCE AWARDS** to many **NUMATIC DEALER OF THE YEAR AWARDS**.

With long established customers like Tsogo Sun, Sun International, City Lodge Group and other big branded industry players, KPRG CleanQuip works closely with the Housekeepers Association to provide support and service around the clock. By supplying Contract cleaner customers we provide the equipment and support to help clean the major shopping centres, hospitals and universities in Gauteng and outlying areas.

Learning, growing and moving forward with over 100 years of collective knowledge and Industry experience, KPRG CleanQuip boasts an experienced and long service staff compliment, most of whom have been a part of the business for almost 20 years. We strive to grow forward as an even stronger and more committed team.

Mission Statement

To be proactive and innovative in our approach to provide reliable cost effective quality products and service in all fields of endeavour in which the company may operate from time to time.

Our Vision

To make our company:

- The company that everybody wants to do business with.
- The company that everybody wants to work for.
- The company that everybody wants to own.

Our Values

We are committed to constantly strive to achieve our vision through providing:

- Quality customer service;
- Quality products;
- Continual upliftment and motivation of staff through empowerment.

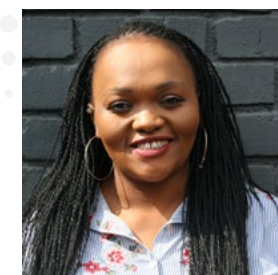

Our Goals

We pledge that our values will not be compromised in the achievement of our goals, which are:

- To be recognised as the most preferred supplier of goods and services in all fields of endeavour.
- To continually strive for service excellence.
- To create a work environment conducive and encouraging to the personal growth of all our employees.
- To improve our communication with all stakeholders.

KÄRCHER K 4 POWER CONTROL FLEX PRESSURE WASHER

- ◇ 3-in-1 Multi jet Spray Lance
- ◇ Kärcher app integration
- ◇ Flexible anti-twist high-pressure hose
- ◇ Plug 'n Clean System
- ◇ Sleek Storage Design

Designed for versatility and efficiency, this machine gives you a new level of confidence when tackling dirt around your home.

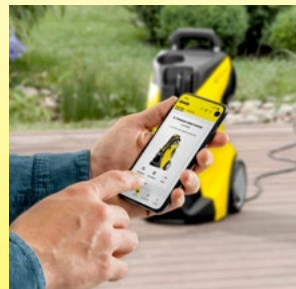

FEATURES AND BENEFITS

Cyclone filtration

Easy maintenance

3 Operation modes

HIGH PRESSURE CLEANERS - COLD WATER

KÄRCHER

HD 5/15 C Compact

Practical, mobile, versatile: this cold water, high-pressure cleaner is for vertical and horizontal operation. With accessory storage, a brass cylinder head and automatic pressure relief.

KÄRCHER

HD 7/11-4 Classic

A reliable single-phase high-pressure cleaner with 700 l/h water flow, strong crankshaft pump, ceramic piston and the latest sealing technology. For long service intervals.

KÄRCHER

HD 7/14 M Plus

AC-powered, mobile high-pressure cleaner with 3-piston axial pump. Compact, reliable machine with a high cleaning performance and energy efficiency for daily use.

KÄRCHER

HD 8/18-4 M ST

A middle-class pump unit with robust 3-piston axial pump with brass cylinder head and 4-pole, slow-running three-phase motor. Suitable for horizontal and vertical operation.

KÄRCHER

HD 9/20-4 Classic

Most powerful high-pressure cleaner of the HD Classic Range, with 900 l/h water flow, three-phase drive and crankshaft pump with ceramic piston. For long service intervals.

KÄRCHER

HD 6/15 M Plus

An AC-powered HD 6/15 M Plus mobile high-pressure cleaner with 3-piston axial pump. Compact, reliable machine with high cleaning performance and energy efficiency for daily use.

KÄRCHER

HD 6/15-4 Classic

A robust, versatile, high-pressure cleaner with a steel frame, 4-pole low-speed motor, crankshaft pump with brass cylinder head for long downtime and low maintenance effort.

KÄRCHER

HD 8/18-4 M

Compact, mobile, unheated, high-pressure cleaner with 4-pole slow-running three-phase motor and automatic pressure relief. High cleaning performance and energy efficient.

KÄRCHER

HD 7/18-4 Classic

Reliable, low-maintenance, three-phase high-pressure cleaner. With a powerful crankshaft pump, rugged ceramic piston, innovative sealing technology and water flow of 700 l/h.

KÄRCHER

HD 7/11-4 Cage Classic

For long service intervals and high-quality components, the crankshaft pump with ceramic piston are among the many benefits offered by this single-phase high-pressure cleaner.

KÄRCHER

HD 9/18-4 Cage Classic

The high-pressure cleaner impresses with a water throughput of 900 l/h, crankshaft pump, ceramic pistons, excellent sealing technology and long service intervals.

KÄRCHER

HD 10/21-4 S

This cold water high-pressure cleaner delivers premium quality, high performance and helpful assistance systems. Designed for ergonomic working and maximum portability.

KÄRCHER

HD 9/50-4 Cage

This product uses up to 500 bars of pressure to remove even the most stubborn dirt. The robust cage design provides all-round protection and enables safe crane loading. With sack-trolley principle for easy transportation.

KÄRCHER

HD 8/23 G

For independent use in areas with poor infrastructure, this diesel-powered, mobile high-pressure cleaner with 230 bar pressure for high cleaning performances.

KÄRCHER

HD 9/20-4 M

Robust, versatile high-pressure cleaner with a steel frame, 4-pole low-speed motor, crankshaft pump with brass cylinder head for long downtime and low maintenance effort.

KÄRCHER

HD 10/25 4 S Classic

The robust cold water high-pressure cleaner is made for tackling tough jobs day in and day out. Super Class in every way; extreme power for reliable cleaning results.

KÄRCHER

HD 6/15 G

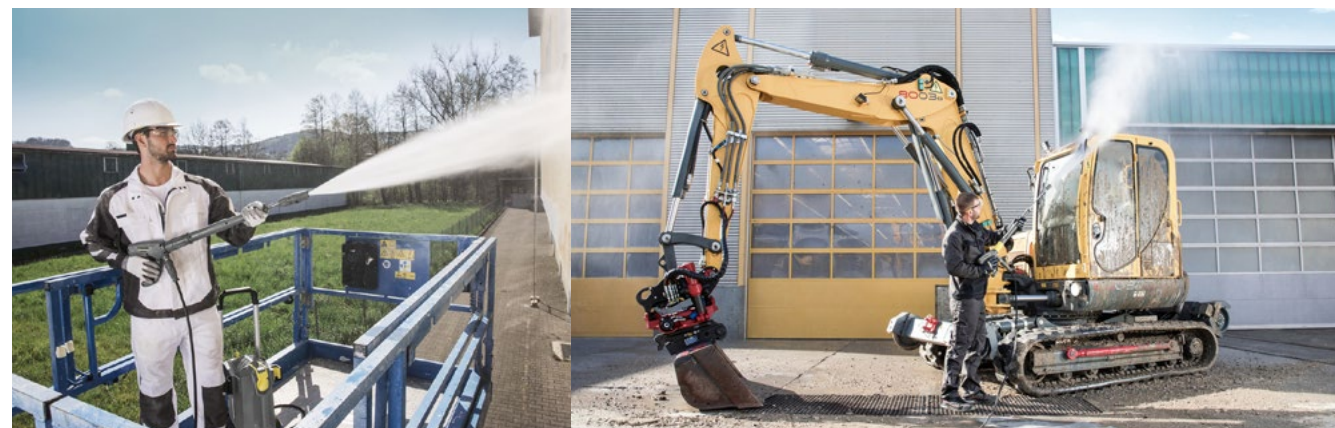

Compact and mobile, cold water high-pressure cleaner with a petrol engine and robust crankshaft pump. Ideally suited for municipalities, construction and handicraft.

KÄRCHER

HD 9/23 DE

For independent use in areas with poor infrastructure, this diesel-powered, mobile high-pressure cleaner with 230 bar pressure for high cleaning performances.

HIGH PRESSURE CLEANERS - HOT WATER

KÄRCHER

HDS 5/11 UX

This high-pressure cleaner comes with a hose reel and 15 m hose. Very compact, ergonomically sophisticated upright design with exceptional power.

KÄRCHER

HDS 8/18-4 C

This machine is the most powerful 3-phase, hot water, high-pressure cleaner in the compact class with Ecoefficiency and steam stage, 3-piston axial pump and EASY!Force Advanced high-pressure gun.

KÄRCHER

DS 12/18-4 S Classic

This powerful hot water, high-pressure cleaner offers a high flow rate and optimized burner engineering for economical operation.

KÄRCHER

HDS 6/14 C

1-Phase, hot water, high-pressure cleaner with Ecoefficiency mode, EASY!Force trigger gun, as well as intuitive single-button operation.

KÄRCHER

HDS 10/21-4 M

User-friendly, powerful hot water, high-pressure cleaner with 4-pole, water-cooled electric motor, economical Ecoefficiency mode and 2 detergent tanks.

KÄRCHER

HDS-E 8/16

The electrically heated, hot water, high-pressure cleaner impresses with 24 kW heating output and high energy efficiency wherever exhaust gases are not permitted.

We sell and service all Karcher Commercial and Home & Garden machine ranges - offering Parts, Servicing, Accessories and Chemicals, as well as training on newly purchased Machines.

VACUUM CLEANERS

KÄRCHER

T 7/1 Classic

Light and ergonomic, this machine with fleece filter bag as standard is a vacuum cleaner in the entry-level class with a good price-performance ratio, strong suction power and cable holder.

KÄRCHER

T 15/1

We are updating our existing, commercial range of dry vacuum cleaners with this model and once again occupying this important marketing segment with a superb top-class vacuum cleaner.

KÄRCHER

NT 30/1 Me Classic

This Classic is a practical and robust, wet and dry vacuum cleaner. The 1,500 Watt machine features a 30-litre container and removes all kinds of dirt.

KÄRCHER

NT 40/1 Tact

Compact and easy to transport, this wet and dry vacuum cleaner with Tact filter cleaning system and 40-litre bumpered container for long, uninterrupted operation.

KÄRCHER

NT 65/2 Ap

This is a powerful, 2-motor, wet and dry vac for professional applications. The suction power remains nearly constant due to the efficient cleaning of the flat pleated filter by blasts of air.

KÄRCHER

T 12/1 Eco!efficiency

Energy-efficient, quiet, manoeuvrable, tilt-proof, easy to service and with a high-level of user comfort - this dry vacuum cleaner impresses in daily use.

KÄRCHER

CV 30/1

The upright brush-type vacuum cleaner impresses with a patented centrifugal coupling, 3-way filter system, tool-free brush replacement and time-saving power cable quick-change system.

KÄRCHER

NT 22/1 Ap L

Compact, yet unbelievably powerful, wet and dry vacuum cleaner entry-level unit. Due to its low weight, this machine is ideal for mobile use.

KÄRCHER

NT 70/2

Quality at an affordable price, this range boasts powerful vacuum cleaners with up to 3 motors. With their high-suction power, the machines are impressive in wet applications and when used on coarse dirt.

KÄRCHER

NT 65/2 Tact² TC

The Tact² systems are popular, all-rounder specialists thanks to their high-level mobility, excellent performance, solid construction and wide range of practical design features.

CARPET EXTRACTORS

KÄRCHER

PUZZI 10/1

With a 240 mm carpet nozzle and an upholstery nozzle for insertion into the spray/suction gun as standard - this spray extraction machine is for cleaning carpeted and upholstered surfaces.

KÄRCHER

PUZZI 10/2 Adv

With a 240 mm carpet nozzle, defoamer dosing, an RM storage compartment and a connection for the PW brush as standard - this machine is for higher area performance.

KÄRCHER

PUZZI 8/1 C

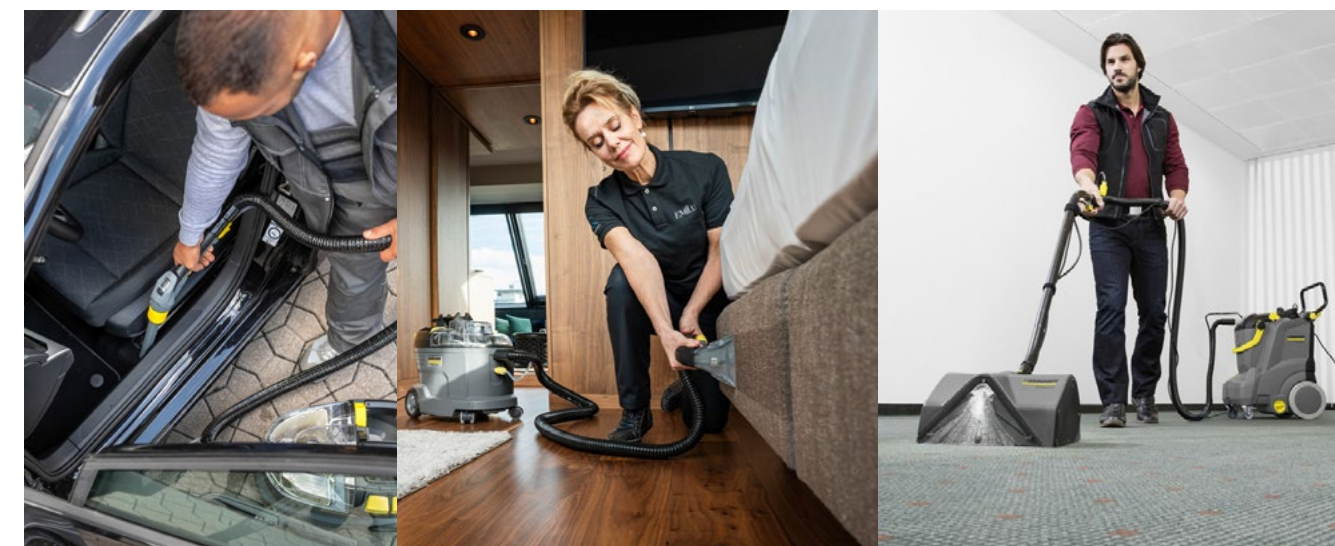

A powerful cleaning specialist for upholstery, as well as, stain removal on textile surfaces. This spray extraction cleaner has an ergonomic, particularly short, upholstery nozzle.

KÄRCHER

PW 30/1

Increases the area performance of our spray extraction cleaner Puzzi 30/4 by up to 35% and also improves the cleaning result; power washing head with rotating roller brush.

SCRUBBER DRYERS

KÄRCHER

BR 30/4 C

Light and compact, weighing only 11.5 kg. This highly innovative and powerful vacuum is ideal for cleaning hard surfaces as the perfect alternative to manual cleaning. Floors are immediately dry and non-slip after cleaning.

KÄRCHER

BR 35/12 C Bp Pack

High cleaning performance, low weight and easy maneuverability - this battery-powered scrubber dryer with KART technology is made from 30% recycled materials to conserve resources.

KÄRCHER

BD 43/35 C Classic Ep

Mains-operated and affordable; this scrubber dryer with disc technology cleans up to 1700 m²/h. For efficient maintenance cleaning of areas up to 900 m².

KÄRCHER

BD 80/100 W Bp

80 cm working width and 100 litre tank volume guarantee, efficient and long-cleaning with our battery powered walk-behind scrubber dryer.

KÄRCHER

BR 40/10 C ADV

The most economical machine in its class. It's compact and powerful, with a working width of 400 mm and a tank volume of 10 litres. Has additional transport wheels and a brush contact pressure adjustment feature.

KÄRCHER

BD 50/50CS Bp

An affordable, compact, entry-level model. This is a battery-powered machine and allows area performances of up to 2000 m²/h.

KÄRCHER

BD 70/75 W Bp

A Classic push-scrubber dryer with a 75 litre tank and dual-disk brush head. Very easy to use and extremely versatile.

KÄRCHER

B 110 R Classic

A powerful ride-on scrubber dryer with a generous 110 litre tank, 75 cm wide disc brush head, a KIK key system and an EASY Operation Switch.

STEAMERS

KÄRCHER

SG 4/4

Compact steam cleaner with powerful 4 bar steam pressure, infinitely variable steam quantity control and VapoHydro function for perfect cleaning and certified disinfection without chemicals.

KÄRCHER

SGV 8/5

This user-friendly machine is a steam cleaner and vacuum cleaner in one. Featuring 7 operating modes, an informative display and lots of accessories.

SWEEPERS

KÄRCHER

KM 70/15 C

This compact manual sweeper is always ready for action to sweep small areas efficiently. It can be used in indoor and outdoor spaces.

KÄRCHER

KM 85/50 W Bp

This battery-powered walk-behind vacuum sweeper with large flat pleated filter and floating roller brush. Robust, easy-to-use machine with high area-performance.

KÄRCHER

KM 100/100 R BP

Comfortable, modern ride-on sweeper for professional use - both indoors and outdoors - for areas from 6000 m²/h to 7800 m²/h.

KÄRCHER

KM 130/130 R D

Ride-on vacuum sweeper with pocket filter, large waste container, robust steel chassis, simple lever operation, hydraulic rear wheel drive and Flexible Footprint System.
